

Little Learners @ St Anne's and Castle Batch

Early Years education funding and fees from September 2025

Little Learners provides parents with options of how they would like to access their child's Early Education entitlement (government funded hours). There are three options for parents to choose from before choosing to enrol their child. We recommend parents read this document carefully and take time to ask the Nursery any questions they have prior to enrolment.

Option 1 provides parents with the *choice* for their child to attend their Early Education hours, fully funded with no additional charges, extras or consumables. There is no limit to the amount of fully funded places available to families at St Anne's and Castle Batch. These sessions are offered on half days, mornings or afternoons; 9.00am – 1.00pm or 1.00pm – 5.00pm. Sessions are subject to availability.

Options 2 and 3 provides parents with the *choice* for their child to attend their Early Education hours in longer 'Short Day' day sessions, with the agreement on enrolment to a £4.00 per day consumables charge. Options 2 and 3 allow parents the choice to pay for additional hours, if they wish for their child to attend more hours per day between 7.30am and 6.00pm. Sessions are subject to availability.
